EcoDiscoveries Products

multizyme

This enzymatic formula eats away grime inside and outside your home, even your car. Keep your whole environment safe, clean, and chemical free.

Safe has many sides.

tub & tile

A safe and effective solution for soap scum. The organic salts in Tub & Tile scrub away build-up with ease. You'll be safe from soap scum and chlorine cleaners for ever.
Safe has a tough side.

bathroom

Natural plant-derived surfactants will give your bathroom a real clean, free of harmful residues. Use around sink, vanity, and floors to remove stains.

Safe has a bright side.

airzyme

AirZyme tackles odor molecules both in the air and on surfaces with natural enzymes. Eliminate all odors & create a fresh environment with a fragrance free spray.
Safe has a fresh side.

glass

This plant-derived formula shines windows, mirrors, & more. Plus, it's ammonia-free and fragrance-free. Shine your way to a clean environment.

Safe has a spotless side.

pet

Designed with both pet and planet in mind. This enzymatic formula is tough enough to eliminate pet stains, yet gentle enough to use directly on your pet as a deodorizer.
Safe has an animal side.

nursery

This plant based formula is gentle enough for baby yet strong enough to clean cribs, changing tables, toys, & more. Defend against petroleum residues & still be dazzling clean.
Safe has a gentle side.

moldzyme

Plant derived enzymes do more than clean. Moldzyme penetrates to remove mold stains at the source, eliminating discoloration & odors.

Safe has a strong side.

harvest

Our unique formula washes away impurities to allow your produce to stay fresher longer. All that's left is the taste that nature intended.

Safe has a healthy side.

kitchen

The natural emulsifiers are powerfully blast through grease, yet are safe around food & family. Clean stove tops, refridgerator, counters & floors. It's also petro-chemical free.
Safe has a shiny side.
